

OUR VAT SOLUTION

SAVE TIME

At GTR we Listen, tailor and deliver our solution to fit you. Based on your structure, processes and expense management systems, our processes fit optimal Indirect Tax solutions customised to your business.

INVESTED BENEFITS

We invest in our technology and Indirect Tax expertise, so you don't have to. Thereby ensuring bolt-on resources with GTR Tax technology. Meaning no drain on your resources, freeing your personnel and focus back into your core business.

TARGETED SERVICE

Our expert team undertake all the tasks required for your Indirect Tax needs. We ensure that there is no disruption to your activities while we deliver your VAT recovery and compliance service. We keep everything simple, clear, and ready to view for you.

OUR PORTAL, YOUR SHIELD

Our proprietary portal is accessible on any web device, Giving you a clear picture 24/7, ready for any Audit. We always work to maximise your VAT reclaim, detailing where and how potential VAT for reclaim and submission can be optimised.

POWER OVER COST

Our Recovery process is success-based percentage fee structure. We provide a robust, cost effective, and efficient solution based on a bespoke pricing model to fit your business model. There are no upfront, or minimum fees charged. Charges are agreed percentage of the VAT recovered up front. Our Compliance & Consulting services are the most competitive out there as we focus solely on Indirect Tax, we benefit from huge economies of scale.

WHY GLOBAL TAX RECLAIM

Service

We pride ourselves on the industry-leading premium service levels that we offer our clients, to enable us to achieve the desired commercial outcomes. By assigning a dedicated account manager, we provide continuity and consistency of service and focus on your particular business and its priorities. This has enabled us to build effective and trustworthy customer relationships with our corporate clients. We strive to provide the highest levels of service via a flexible, reliable and competent team. Furthermore, we focus on a profile of client that warrants and values the services we offer.

Tailored Solutions

Our methodology is Listen. Tailor. Deliver We will work with you to fully understand your needs and to execute the best strategies to meet them. We combine our industry expertise, technical knowledge, with our proprietary technologies and your business requirements to develop a bespoke solution, which will enable you to more effectively manage your cross-border VAT recovery and your VAT Compliance needs. We also offer a bespoke VAT consultancy service to clients with complex VAT Compliance requirement

Value

Global Tax Reclaim focuses on offering clients the most transparent and competitive pricing models. We offer a seamless, transparent and low-cost solution to our clients

Regulatory Compliance

Global Tax Reclaim is committed to conducting its business with the highest level of integrity. We stringently observe the compliance and reporting regulations of every jurisdiction in which we are active, in order to protect both our company and our customers. We assist our clients in dealing with their VAT obligations in the most effective way, as well as reduce their costs where it is possible to do so within the law. We guard our good reputation with the various fiscal authorities in the jurisdictions where we operate.

Market Expertise

Our staff have been selected for their industry pedigree and their technical expertise. We have significant experience in providing practical solutions to VAT problems. Our team stay up to date with changing legislation and EU VAT Authorities local practice.

International Presence

Global Tax Reclaim has an international presence, with representation in Europe, United States and Middle East, with further expansion planned.
